COMMENTS: _____

Please read and sign: Please review this form carefully as this is your final order. Sign and return the form with any additions or changes ASAP. Payment in full is required to complete the order. Your order is not complete until we have this signed form on file and payment has been received. All sales are final and as the dresses are made to order, there are no returns or exchanges. All dresses are made to order, not custom made to measurements; therefore, alterations are usually necessary. You are responsible for choosing your own size and alterations should be expected. If you are between sizes on the size chart, always order the larger size. You can always have a dress taken in but it can't always be let out. Bella Bridesmaid does not offer alteration services but we are happy to refer you to an expert tailor. We are not responsible for any alterations made after you receive the garment from us. \$25 charge for declined credit cards and bounced checks. **Any problems/issues with your dress (dress defects, size problems, etc.) should be reported to Bella Bridesmaid within 14 days of receiving your dress. I understand and agree with all the terms stated in this Contract and Policy Form and authorize Bella Bridesmaid to charge the credit card on file.**
